

Hakinakina User Guide

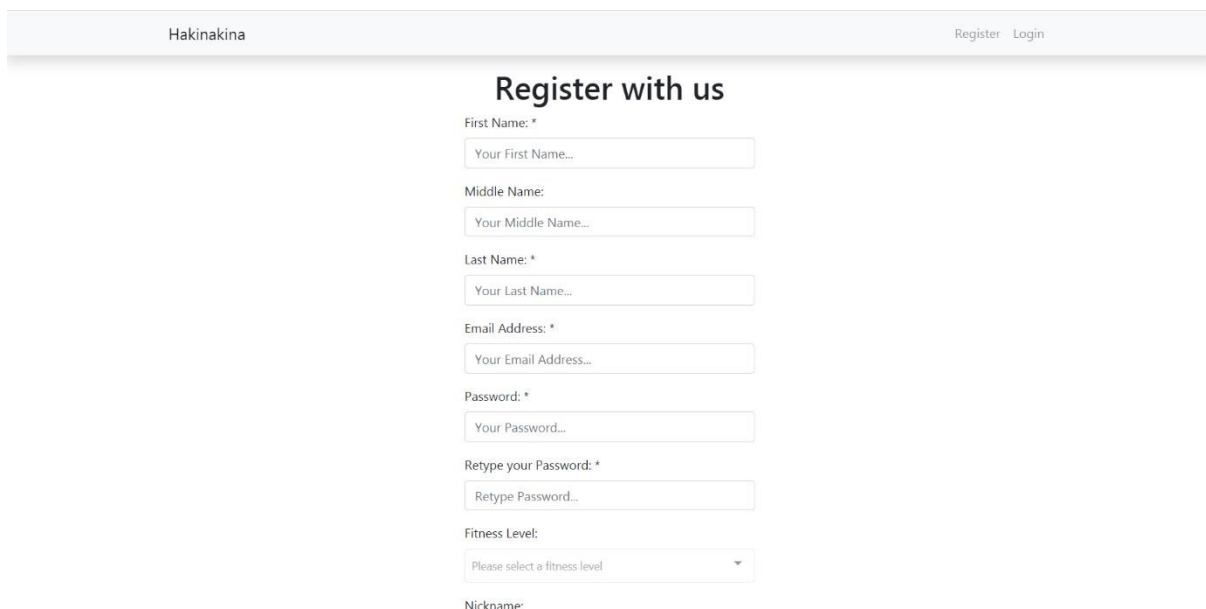

Registering a new user

To register a new user, click the register button on the landing page. Fill out details on the register form to make a new user. Make sure to fill out all required fields. As shown below in figures 1 and 2.

The screenshot shows the Hakinakina landing page. At the top, there is a header bar with "Hakinakina" on the left and "Register Login" on the right. The main content area features the text "Welcome to Hakinakina" followed by the tagline "Plan your route with the best". Below this, there are two buttons: a blue "Log In" button and a white "Register" button with a blue border.

Figure 1: Landing page showing register button

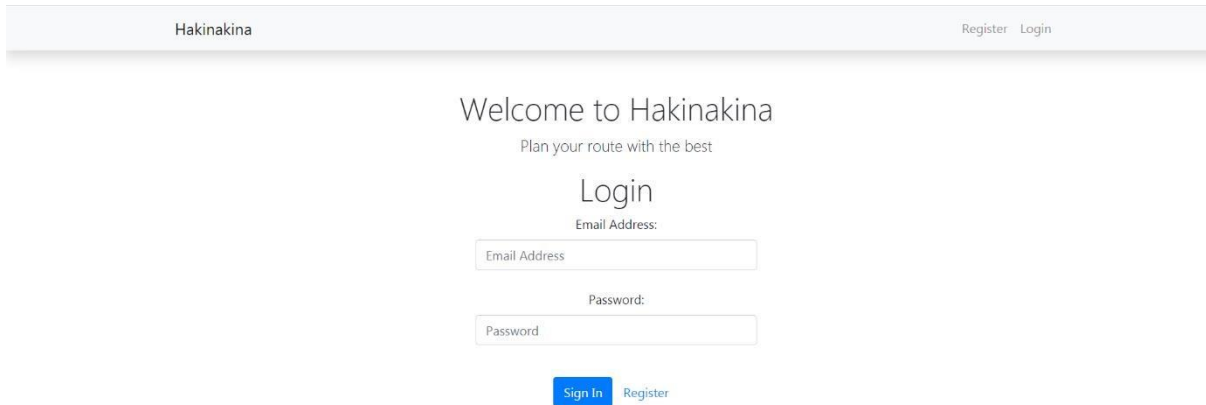

The screenshot shows the Hakinakina Register screen. At the top, there is a header bar with "Hakinakina" on the left and "Register Login" on the right. The main content area features the heading "Register with us". Below the heading, there are several form fields: "First Name: *" with a text input field, "Middle Name:" with a text input field, "Last Name: *" with a text input field, "Email Address: *" with a text input field, "Password: *" with a text input field, "Retype your Password: *" with a text input field, "Fitness Level:" with a dropdown menu, and "Nickname:" with a text input field.

Editing Profile Information

Edit General profile information

To edit general profile information, click the Edit Profile button listed on the view profile page. Which takes you to an edit form so that you can edit your user information, as seen below in figure 5. Make sure to fill out all required fields and click save, otherwise new changes may not be confirmed. To go back to the view profile page simply click the Home button located in the header at the top right of the screen. Editing emails cannot be done on this page but will be outlined in the next section.

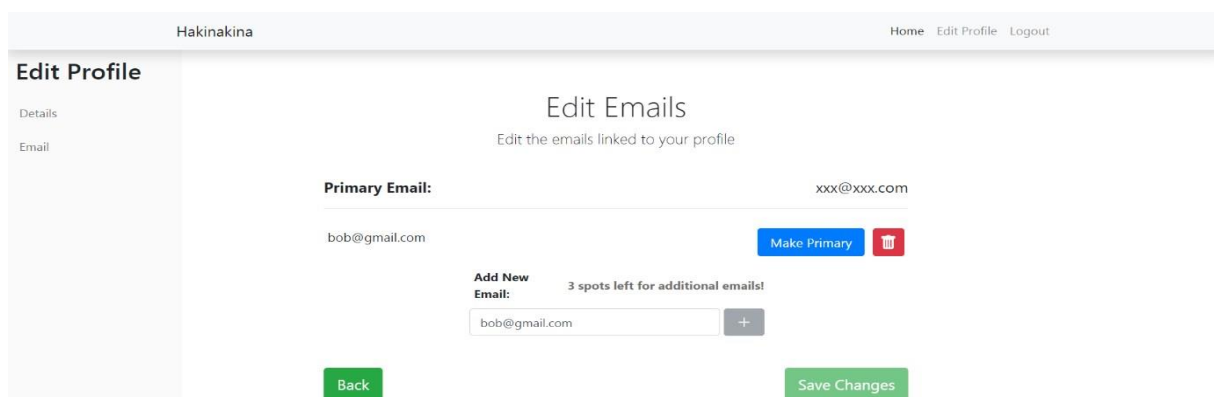

The screenshot shows the 'Edit Profile' page for a user named 'Hakinakina'. The page has a header with 'Home', 'Edit Profile', and 'Logout' links. On the left, there is a sidebar with 'Details' and 'Email' tabs. The main content area contains several form fields, each with an 'Edit' button:

- First Name: ***: Input field with 'Bob'.
- Middle Name:**: Input field with 'Terry'.
- Last Name: ***: Input field with 'Jones'.
- Fitness Level:**: Dropdown menu with 'Not overly fit, occasional recreational fitness activity, active a few times a month'.
- Nickname:**: Input field with 'sadadsdas'.
- Gender: ***: Dropdown menu with 'Non-Binary'.
- Passport Country:**: Input field (empty).

Editing email address

To edit general profile information, click the Edit Profile button listed on the view profile page. Then click the email tab found inside the Edit Profile sidebar on the left-hand side of the screen. This takes you to the edit email screen that allows you to add up to 4 new additional addresses and will also allow you to log in with these additional emails. You may also delete up to 4 email addresses, but you cannot delete your one and only primary email address. You may also the associated primary email address with any of the other additional emails associated to the profile. As shown above in figure 6. Remember to click the save changes button otherwise your changes will not be saved.

The screenshot shows the 'Edit Emails' page for a user named 'Hakinakina'. The page has a header with 'Home', 'Edit Profile', and 'Logout' links. On the left, there is a sidebar with 'Details' and 'Email' tabs. The main content area is titled 'Edit Emails' and includes the subtitle 'Edit the emails linked to your profile'. It shows a list of email addresses:

- Primary Email:** xxx@xxx.com (with a 'Make Primary' button and a delete icon).
- bob@gmail.com (with a 'Make Primary' button and a delete icon).

Below the list, there is an 'Add New Email' section with a text input field containing 'bob@gmail.com' and a '+' button. At the bottom, there are two green buttons: 'Back' and 'Save Changes'.
